

# COSTILLA COUNTY COURTHOUSE

## PROJECT:

This adobe and stone courthouse (1880s) serves as county seat for San Luis, the oldest town in Colorado. Restoration of the courthouse was funded by the State Historical Fund.

## CLIENT:

Costilla County, Colorado

## SCOPE OF WORK:

Crocker Ltd completed the stabilization phase of the courthouse rehabilitation, including emergency shoring and repair of the stone footings, adobe walls, roof, and cupola. We also replicated a historic Portland cement-based plaster used in the original construction.
